Make a Gift of Cash or Stock

There are many ways to make a gift to support the endowment fund of the South Sound YMCA.

Gifts are classified in two categories: outright and deferred. Outright gifts are those whose ownership passes to the South Sound YMCA at the time of the donation.

The two most common types of outright gifts are cash and appreciated assets. For most donors, gifts of appreciated assets that have been held for more than one year may be a more "tax-wise" gift than cash. Appreciated assets include:

- Publicly traded securities and mutual funds
- Closely held stock
